No. 72 Merrion Square is one of the finest refurbished Georgian office buildings to come to the market in Dublin 2 over recent years. The property offers the complete package providing a total of c.497.4 sq.m. (5,350 sq.ft.) of well presented office accommodation together with 14 designated car parking spaces which are accessed via Fitzwilliam Lane in a secure rear car park.

This property provides a turnkey solution, with all the style and character one would expect from a building of this vintage and yet completely modernised under the guidance of an interior designer who has embraced and enhanced all the wonderful period features throughout, while complementing them with modern services.
